To
the American Legion!

Nationally, it embodies the
ideals of sterling Americanism.
Locally, it comprises those loyal
sons who glorified Tulsa's fair name
in the World War and helped to
bring victory to the allied arms.
Within the covers of this unpretentious
volume, sponsored by Joe Carson Post No. 1,
may be found much of miscellaneous
interest. But the real aim of the
Book of Service is obvious.
Tulsa's sons, loyal Americans all,
today are bivouacked in the
Home Sector.
Let us not forget them
in mufti.

For God and country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

ARTICLE I.

Name.

Section 1. The name of this organization shall be **THE AMERICAN LEGION.**

ARTICLE II.

Nature.

Sec. 2. The American Legion shall be absolutely non-political and shall not be used for the dissemination of partisan principles or for the promotion of the candidacy of any person seeking public office or preferment. No candidate for or incumbent of a salaried elective public office shall hold any office of The American Legion or in any Department or Post thereof.

Sec. 3. Each member shall perform his full duty as a citizen according to his own conscience and understanding.

ARTICLE III.

Section 1. The American Legion shall be organized in Departments and these in turn in Posts. There shall be one Department in each state, in the District of Columbia, and in each territory of the United States. The National Executive Committee may establish additional Departments in territorial possessions of the United States and in foreign countries.

Sec. 2. There shall be no form or class of membership except an active membership as hereinabove provided.

The delegates shall be chosen at Department Conventions to be held not less than two weeks before the National Convention.

Sec. 3. Each delegate shall be entitled to one vote. The vote of any delegate absent and not represented by an alternate shall be cast by the majority of the delegates present from his department. Alternates shall have all of the privileges of delegates except that of voting.

At all meetings of the Department Executive Committee any member thereof shall have the right to be represented by proxy, provided that the proxy is a bona fide resident of the same Congressional district.

ARTICLE VII.

All Department officers shall be subject to removal for proper cause by the Department Executive Committee after the preferment of written charges and a suitable opportunity of being heard. No officer shall be removed unless three-fourths of the entire membership of the Department Executive Committee, eligible to share in the decision, shall concur in his removal. If written charges should be preferred against the Department Commander, they shall be investigated and acted upon by the Department Executive Committee with the Department Judge Advocate presiding in the Department Commander's stead. If written charges should be preferred against any member of the Department Executive Committee, he shall be disqualified from taking any part in their investigation and disposal.

ARTICLE VIII.

The annual Department Convention shall be held on a date to be fixed by the Department Executive Committee, provided that said date shall not be more than thirty days previous to the date set for the commencement of the National

Convention for that year. Upon approval by the Department Commander recommendations for the issuance of the charter shall be made to the National organization.

The Department Executive Committee shall have the power, for proper cause, to revoke or suspend the charter of any Post and the same power shall be exercised by the Department Commander provided that whenever the Department Commander revokes or suspends a Post charter such revocation or suspension shall not operate beyond the first meeting thereafter of the Department Executive Committee unless the Department Commander's action is at that time approved by said committee.

Both the Post and the Department Commander shall have the power to suspend or expel members for cause. No member, however, shall be expelled or suspended without an opportunity to be heard and all members suspended or expelled shall have the right of appeal to the Department Executive Committee.

History of Joe Carson Post No. 1

By Horace H. Hagan, State Commander

As might naturally be expected, France was the scene of the genesis of The American Legion. It was at the Paris caucus held in the middle of March, 1919, that steps were first taken to effect preliminary organization and that the name, The American Legion, was tentatively adopted. Shortly before that time Theodore Roosevelt, Jr., who had originally conceived the idea of the organization, returned to the United States in order to make arrangements for a similar caucus in this country. As a result the St. Louis caucus was held on May 8th, 9th and 10th of the same year. Twelve hundred men, representing every branch of the service and every section of the country, attended this meeting which was characterized by the greatest enthusiasm and the most earnest sincerity and loftiness of purpose. At this meeting the name, The American Legion, was definitely adopted, a temporary constitution drafted and the guidance of the organization entrusted to an executive committee until permanent officers should be elected at the first national convention which was called for November, 1919, at which time it was expected that practically all the men still in France would have returned to the United States. Henry D. Lindsley who served as chairman of the caucus was selected as the head of the executive committee while Eric Foster Wood, the secretary to the caucus, was chosen as secretary to the committee. Oklahoma's representatives on the committee were Roy Hoffman, of Oklahoma City, and Lee Daniel, of Tulsa.

BEGINNINGS OF THE LEGION IN OKLAHOMA

The history of The American Legion in Oklahoma had its commencement in the interval between the Paris caucus and the meeting at St. Louis. About the middle of April, 1919, the Adjutant General of the State called together a few representative ex-service men and with their aid effected a temporary organization, electing Ross Lillard, of Oklahoma City, chairman, and F. W. Fisher, secretary.

BEGINNINGS OF THE LEGION IN TULSA

Immediately after taking this forward step, the temporary officers thus selected issued a call for a state caucus to be held in Oklahoma City on May 3d for the purpose of perfecting the state organization and choosing delegates to the meeting at St. Louis. Letters were sent out to well known ex-service men in each community, urging them to call local meetings for the purpose of sending representatives to the Oklahoma City caucus. Such a meeting was held at Tulsa on April 24th and Lee Daniel was selected as temporary chairman and Thomas J. Shea as temporary secretary. The following delegates to the Oklahoma City caucus were chosen:

Alva J. Niles, Lee Daniel, Horace H. Hagan, G. F. O'Brien, H. W. Fulger, C. E. Wheeler, John Rogers, Dr. Paul Brown, N. A. Thompson, W. W. Tyler, David Weinstein, A. M. Bailey, Thomas F. Shea, Lemoyne Strand, H. L. S. Halley, William Viner, A. L. Carmichael, Robert Evans and Charles Casey.

THE OKLAHOMA CITY CAUCUS

Of the delegates so selected sixteen attended the Oklahoma City meeting, comprising the largest single delegation from any one county in the State. The Tulsa spirit was in evidence throughout the sessions of the caucus and Lee Daniel was unanimously elected vice commander of the State organization. Horace H. Hagan was selected to represent the First Congressional district on the State executive committee. Ross Lillard was unanimously elected state commander and F. W. Fisher was selected, without a dissenting voice, for state adjutant.

THE ST. LOUIS CAUCUS

The Oklahoma City caucus resolved that any one desiring to attend the St. Louis caucus as a delegate from Oklahoma should be allowed to do so. As a result Oklahoma's St. Louis delegation of twenty-three included the following Tulsans:

Alva J. Niles, Lee Daniel, Horace H. Hagan, Ralph H. Berry, N. A. Thompson, Thomas J. Shea, William Viner, Philip A. Fox and Howard W. Meyer. Most of these men served on important committees and helped to make a creditable record for Oklahoma.

SELECTION OF NAME AND OFFICERS OF LOCAL POST

As a result of the stimulating session at St. Louis, the temporary officers of the Tulsa Post determined, upon their return home, immediately to perfect their own organization. A meeting was called for May 21st for the purpose of selecting a name for the post and electing permanent officers. By a unanimous vote the local unit was designated Joe Carson Post, in honor of a Tulsa hero who had made the supreme sacrifice on the fields of France. The community had known him both as a school boy and as a popular young business man and his unflinching cheerfulness had endeared him to all. At this same meeting the following permanent officers were elected:

Post Commander, Horace H. Hagan; Post Vice Commander, John Rogers; Post Adjutant, R. H. Berry; Post Finance Officer, Vergil Jones; Post Historian, William R. Meyer; Post Chaplain, L. C. Murray. To these officers there was soon thereafter added an executive committee, consisting of the Post Commander, the Post Adjutant, John Rogers, Dr. W. A. Cook, T. D. Lyons, N. A. Thompson, Alva J. Niles, William Viner and Glenn Condon.

As a result of the enthusiasm of the ex-service men of Tulsa in thus so speedily carrying through the work of organization, the signal honor of receiving The American Legion charter number one for the State of Oklahoma fell to the lot of Joe Carson Post.

MEMBERSHIP CAMPAIGN.

The first important step taken by the new officers of Joe Carson Post was to inaugurate a membership campaign. This campaign was held on June 7th under the able directorship of Glenn Condon. Howard Meyers, B. F. Noyes, Dr. Paul Brown, William Viner and P. A. Fox were also members of the committee in charge of the campaign and rendered most active and efficient aid. As a result of the campaign over eight hundred new paid-up memberships were obtained. The feature of the campaign was the stationing in the evening of a team of workers at each theatre in the city. The captains of these teams were R. H. Berry, Harry L. S. Halley, T. D. Lyons, Glenn Condon, Alva J. Niles, G. F. O'Brien, John Rogers, Lee Daniel and S. E. Dunn. The team of R. H. Berry secured the most memberships with that of S. E. Dunn a close second. The result of this campaign was to make Joe Carson Post by far the largest in the State.

RECEPTION TO 111TH ENGINEERS.

Another big event in the early history of Joe Carson Post was the reception to the 111th Engineers. This reception was entirely under the auspices of Joe Carson Post and proved to be the greatest gala day in Tulsa history. Its success was largely due to the untiring work of Lee Daniel, who had charge of its many details. A feature of the celebration was the erection, on Main street, of an imposing arch.

THE STATE CONVENTION.

When the time of the first state convention, October 21st, arrived, it found Joe Carson Post in a commanding position in State Legion affairs. At its regular meeting held a few days prior to the state convention, Joe Carson Post unanimously endorsed its Post Commander, Horace H. Hagan, for the position of State Commander. Mr. John Rogers was selected as the head of the Tulsa delegation. Owing to the resignation of State Commander Ross Lillard, Mr. Lee Daniel, of Joe Carson Post, presided over the deliberations of the state convention, which unanimously selected Mr. Hagan for the office of State Commander. Mr. John Rogers was chosen as the representative of the First District on the state executive committee. In December, Mr. J. C. Chatfield, of Tulsa, was selected by the state executive committee as Assistant State Adjutant. As such officer he has had since January 1, 1920, complete charge of the state headquarters at the State Capitol Building at Oklahoma City. His efficient work has given universal satisfaction.

ELECTION OF NEW OFFICERS

Within a few days after the state convention, new officers were selected for Joe Carson Post. The results of the election were as follows:

Post Commander, John Rogers; Post Vice Commander, William L. Eagleton; Post Adjutant, Thos. J. Shea; Post Finance Officer, P. A. McNeal; Post Historian, J. C. Chatfield; Post Chaplain, N. A. Thompson. The new executive committee, in addition to the Post Commander and Post Adjutant, contained the following names:

Dr. Ralph Smith, H. L. S. Hally, Horace H. Hagan, Alva J. Niles, T. D. Lyons, Glenn Condon and E. S. Worthington. Mr. E. N. Kenney, who distinguished himself as chairman of the entertainment committee, was later added to the committee in place of Mr. Condon, whose resignation was necessitated by his removal to New York. Mr. W. L. Ditzler subsequently succeeded Mr. Chatfield as Historian.

MINNEAPOLIS CONVENTION

Four members of Joe Carson Post, namely, John Rogers, P. A. McNeal, R. H. Berry and Horace H. Hagan, attended the first national convention held at Minneapolis on November 10th, 11th and 12th. The stirring accounts they brought back of the inspiring events of the convention added no little stimulus to the local enthusiasm. At Minneapolis, Mr. Rogers served on the Committee on Resolutions, Mr. Hagan on the Committee on Constitution, Mr. Berry and Mr. McNeal on the Committees on Post Activities and Credentials, respectively.

MEMBERSHIP CAMPAIGN

On the last Saturday in January, Joe Carson Post held its second membership drive for the purpose of renewing old memberships and securing new ones. It had been feared that the raise in dues, owing to the increase of the national assessment, might be a serious handicap. This apprehension, however, proved unfounded and February 1, 1920, found Joe Carson Post with more than one thousand paid-up members. This campaign was in charge of P. A. McNeal with C. S. Worthington, H. L. S. Halley, J. P. McBride, W. L. Eagleton and Miss M. Alch as trusted and valuable subordinates. The team of Mr. P. L. Long secured the most memberships.

RECEPTION TO GENERAL PERSHING

On February 11, 1920, the City of Tulsa had the great privilege of acting as host to General Pershing. Members of the Legion formed the escort to General Pershing in the parade from the station to the hotel. Alva J. Niles acted as his personal host while our esteemed comrade, Miss Florence Heald, was his chauffeur. G. F. O'Brien had charge of the arrangements for the parade while the address of welcome was delivered by the State Commander. The outstanding feature of the exercises at Convention Hall was the presentation to Joe Carson Post by General Pershing, on behalf of Fitzhugh Lee Camp of the Spanish War Veterans of Tulsa, of a magnificent stand of the national colors. A few days later Alva J. Niles presented to the Post an equally splendid stand of American Legion colors. These colors had unfortunately arrived too late to be presented by General Pershing as originally intended. In a letter received by Post Commander Rogers a few days after General Pershing's visit, the Commander-in-Chief of the A. E. F. complimented Joe Carson Post in most glowing terms on its splendid progress.

PRESENTATION OF FRENCH MEMORIAL DIPLOMAS

Joe Carson Post formally presented the French Memorial Diplomas on March 7th. Mr. H. L. S. Halley was in charge of the exercises that were held in connection with the presentation.

POST ACTIVITIES AND MEETINGS

Early in November it was realized that social features should be incorporated into the Post sessions in order to maintain interest in the Legion and secure attendance at the meetings. An entertainment committee, consisting of E. N. Kenney, E. S. Worthington and Dr. Newlin, was therefore appointed and its excellent and steady work brought immediate results. At the first smoker given by the Legion, the Post was fortunate to secure the presence of Archie Roosevelt, who was in Tulsa on business. The result was a record attendance of some five or six hundred members of the Legion. The splendid start thus made has continued with unabated vigor and every Post meeting sees the City Auditorium practically filled to capacity. The generous services of the Post's "Jazz Quartet" has been no small factor in bringing about this most happy result. Another notable feature of our programs was the obtaining, for our meeting of February 10th of the presence of Post National Commander Henry D. Lindsley, of Dallas, Texas. Mr. Lindsley, who was in Tulsa on business, most kindly consented to remain over in order to assist in the reception, on the following day, to General Pershing.

It is the present thought of the officers of Joe Carson Post that interest in the Legion has now been solidly established and that at an early date the Post can turn its activities towards the accomplishment of constructive tasks of general benefit to the community.

The present membership of Joe Carson Post is in excess of twelve hundred and it is confidently expected that by the time of the state convention the two thousand mark will have been passed. The next state convention will meet in Tulsa. Its date will probably be early in September and the members of Joe Carson Post are determined that it shall behold Joe Carson Post not merely the first Post in point of time but likewise in point of membership.

OUR GOVERNMENT

LET US DEFEND, PROTECT AND PRESERVE IT

By JOHN ROGERS, Post Commander

Our Government rests upon a few very simple ideas, namely: That all men are endowed by their Creator with certain inalienable rights including life, liberty, and the pursuit of happiness, and that governments are instituted to secure these rights. To this end our government was constituted and is conducted keeping ever in mind that it must function so as to express the will of the majority of all the people whose rights it is intended to secure.

In such a government the following are absolutely essential.

1. Every person must be given an opportunity to obtain an education so that they may vote intelligently. Without an educated governing body a republic cannot survive.

2. The governing body must recognize at all times its responsibility for justice in the broadest sense in maintaining the inalienable rights of the minority.

3. Every person must be given the opportunity to better not only his condition but that of his family by industry, thrift, enterprise, talent and skill. The aspiring must not be held down. No human power must make the reward of the industrious citizen the same as that of the idle and indifferent citizen.

Our Government guaranteed these rights to its people upon the adoption of the National Constitution and we owe an eternal debt of gratitude to those patriots whose labors brought forth that Constitution which Gladstone, the great English statesman, characterized as the greatest document ever struck off at a given time by the mind of man, and by holding true allegiance to same down through the years which have followed, even to the sacrifice of life if need be, our Government has developed until it is the greatest in the world today.

We have been in the past and we are now a beacon light guiding the peoples of other countries in their pursuit of freedom, justice and prosperity.

In the summer of 1914 Germany engaged the free peoples of the world in a deadly conflict between

German Autocracy and Christian Democracy, our country being drawn into this conflict in the spring of 1917. As a result of our unselfish devotion to our country during this crisis in our history, the Allied Powers were successful and German Autocracy received a death blow. History records no brighter pages than those telling of the heroism, patriotism and sacrifice of the American soldier in this world struggle, and every member of the American Legion cherishes and holds sacred in his memory this fact.

German Autocracy has been crushed but there is still danger lurking in our midst. At the present time there are concentrated efforts throughout the length and breadth of our country to overthrow our established form of government. This is a well known fact to all who keep in touch with the public press of the country. I am informed that not long since Haywood, General Secretary of the Industrial Workers of the World, speaking in New York City, said in effect that our Government was one of the blackest in the world today and that the Russian Government was the only future hope for the world and that he sincerely trusted we would soon see the light and follow in her footsteps.

In view of this inexcusable and unjustifiable condition which confronts us, and realizing our duty to our country and what an unusual privilege it is to live under our present government let us as civilian citizens manifest the same loyalty and unselfish devotion to our country that we did as soldiers during the Great War to the end that our government shall ever be a government of the people, by the people and for the people.

Especially to the members of Joe Carson Post No. 1, of the American Legion, permit me to leave with you the suggestion that you keep ever before you the wonderful ideals of the American Legion as expressed in the preamble of the National Constitution as a guide for future conduct.

AMERICANISM

The International Encyclopedia defines Americanism as "Words and phrases peculiar to the United States." This definition was extended during the war so as to include the highest ideas and ideals of the American people in reference to their government and the ultimate welfare of the government and its people; together with a determination to do "Whatever is Necessary" to promote those ideas and ideals; which are the highest in life.

Since nations are what individuals make them, and since individuals are what their principles make them; it must follow that every factor in the nation must make its public life and its business harmonize with the high principles involved in the term AMERICANISM. It is easily evident that "Sharp Practices" in business are in direct conflict with the true spirit of AMERICANISM, and every good loyal American will do "Whatever is Necessary" to put an end to such practices.

Our Business Principles were formulated and put into practice as a shield to protect our customers against all "Sharp Practices," fully conscious of the fact that we are doing our bit in the interest of true AMERICANISM.
