ALL LEGIONNAIRES AND AUXILIARY MEMBERS INVITED TO BE PRESENT.

The Auxiliary Unit has prepared a beautiful large birthday cake, decorated with 23 candles, to be presented to the Post at our 23rd Birthday celebration at the Hut next Tuesday night. Entertainment and refreshments will be part of the celebration.

Each member is urged to bring at least one 1942 Legion or Auxiliary membership as a birthday gift.

All past commanders and past presidents of the Post and Unit will be the Guests of Honor.

Our department commander sends his appreciation and thanks for the fine efforts of Joe Carson Post members in passing their quota, and urges us to get as many eligible World War veterans as possible into our ranks by the close of the Legion's birthday.

To every Legionnaire in the Department of Oklahoma, Max Fife delegates the responsibility of helping him to talk, work and fight to bring home to every citizen the possibility that Oklahoma may need each and every citizen in some phase of Civilian Defense.

WE MUST PREPARE ourselves through training, working, and be ready to do a specific job to the very best of our ability. Therefore, let every Legionnaire contribute his utmost in some part of the war effort.

Our citizens expect it of us. Let there be no laying down on this job.

So, come out to the Birthday party next Tuesday night, and get acquainted with your "Comrades in Arms."

BY MADALINE A. GALLOWAY

Mrs. Mark W. Murrill of Scituate, Massachusetts, National President of the American Legion Auxiliary, will make her official visit to Oklahoma, Wednesday, March 18th. She will be honored with a luncheon in the Silver Glade room of the Skirvin Hotel, Oklahoma City. Luncheon will be served at 12:30 o'clock and will be preceded by a short reception.

Mrs. Edward M. Box of Oklahoma City, Department President, will preside at the luncheon, which is an annual affair, honoring the National President. It will be attended by Department officers and chairmen of the American Legion Auxiliary, District and Unit officers and members from all parts of the state. Mrs. Murrill will deliver the principal address.

Mrs. E. B. Benton of Tulsa, Department First Vice President of the American Legion Auxiliary and Publicity and Radio chairman, will introduce Mrs. Murrill on the radio broadcast at 6:30 o'clock Wednesday afternoon, over station WKY, Oklahoma City.

Among those attending from the local Unit will be Mrs. Paul C. Wheeler, Mrs. Elmer Orr, Mrs. Blanche Welch, Mrs. E. B. Benton and Mrs. J. B. Allred.

Tuesday, March 17th, 8 p. m., is the date of our next regular business meeting to be held at the Hut, as announced by our Unit President. After the business session, Unit members will join with the Legion in celebrating their 23rd Legion birthday, the date of which will be March 15th. It's an "old Auxiliary custom" to present the boys with a big cake. This year it will be decorated with 23 candles. Refreshments will be served.

Tuesday, 10 a. m., is the time when the regular Red Cross sewing and knitting day begins at the Hut, with Mrs. H. Blain Lacy in charge of the activity.

We now have 240, 1942 members, which means we only have to get 93

more to complete our quota. Remember members, this membership business is the responsibility of the entire group. Why not everybody try to get a member and have this particular job finished, so that we can be ready to tackle something else?

Dr. Paul C. Wheeler is quite happy over receiving a convalescent card from the ladies last week, while he was recovering from a "well-developed" case of the flu. He says such thoughtfulness is deeply appreciated.

Junior Auxiliary

Monday, 7:30 p. m., is the date of the next regular business meeting of the Junior Auxiliary. Mrs. Elmer Orr, Junior Activity chairman, would particularly like to have all of the girls present as something of special interest is coming up for discussion.

Annual Spring Bridge

BY MRS. G. H. CODDINGTON
Spring Bridge Publicity Chairman
Proceeds from the Annual Spring Bridge will be used for Welfare and National Defense this year.

Now as always, our first duty is to the veteran of World War I and his family, but bulletins from National and the Department have outlined a large program for the Units in National Defense.

The morale of the men in camps is one of the main objectives. To help in this we will send magazines, games, etc., and arrange local entertainment. We will also give assistance needed to the families of these men.

"It is a big job we have been asked to do," said Mrs. Mark Renick, Unit National Defense chairman. "It will take the full cooperation of all our members if we do it well. The very first thing that must be done is to obtain the money to finance this program and that's what our Spring Bridge can help to do."

So get busy girls, on those tickets! Anyone wanting tickets can get them

3rd Selective Service Lottery March 17th

Washington, D.C. — The third National Selective Service Lottery will be held in Washington March 17th when order numbers for the registrants who enrolled last month will be determined, national headquarters of the Selective Service System, has announced.

In all probability approximately eight or nine thousand capsules will be drawn in this first wartime lottery since 1918 and the third since enactment of the selective training and service act of 1940.

Serial numbers issued to the new registrants by the local boards, in the manner prescribed by selective service regulations, will be marked T-1, T-2 and so on, to designate the third registration enrollees, and the numbers in the capsules drawn in the lottery on March 17 will begin with the number 10,001.

Capsules containing the numbers drawn in the lottery of March 17 will be green—the same color as the registration cards used in the third registration. The drawing will be made in the Interdepartmental Auditorium, Washington, D. C., a government building and the scene of the two previous selective service drawings.
