Employment Week

MAY 3rd-9th

The American Legion has been sponsoring a national employment week in the Spring of each year. In 1942 this week takes on added significance in our view of the necessity of placing every available person in the job where he or she will most contribute to the war production effort. This means, in effect, that industry should rigidly adhere to its formerly expressed position — that there shall be no arbitrary discrimination in employment based on age limitations, race, sex, or organization membership.

American industrialists are gratified to know that The American Legion has also been taking the position that there should be no arbitrary discrimination based on any of those factors in war industry employment. Full employment in the nation's productive effort means, moreover, that every endeavor should be made to put the right worker in the right job, and to provide training for people who have not formerly been employed, those who have not been employed for some time, or those who must shift from one type of employment to another. It will also prove necessary for industry in many instances to modify its rigid physical qualifications for employment and it is especially important that suitable alterations be made in state workmen's compensation laws which will not prevent such action by employers.

Dear Johnston:

Well, they have really gotten me flattened out since last Friday. Never knew a body could hurt so much in so many places at one time.

They took two more ribs and part of shoulder blade. There are six Oklahoma fellows in this ward and all have had rib jobs. One is a former member of Joe Carson Post and 40-8. Dont think anyone knows he is here. He is Otie Davidson, brother of the Davidson Auto Co. man.

Tell everyone hello.

The Legion In Action

Members of the Post and Auxiliary Unit served on Tulsa's Draft Boards last Saturday, Sunday and Monday, assisting in the registration of men 45 to 64 years of age.

Joe Lynn, member of Draft Board No. 2, wishes to express his thanks to the following Auxiliary members for their loyal service: Mesdames E. B. Ben'on, Paul C. Wheeler, S. J. Burnham, Glenn H. Coddington, M. C. Roberts, J. W. Fulk, Elmer Orr, Don C. Kile, Joseph W. Lynn, Cora Bates, F. E. Riddle, E. B. Mitchel, J. B. Allred, H. Blain Lacy, Mark Renick, H. P. Porter, M. A. Phelps, and Russell Sullivan; to Post members A. E. Galloway, Elmer Orr, C. M. Johnston, C. P. Embry, Paul C. Wheeler and Roy Rains.

C. E. Marshall and S. E. Dunn were active on Board No. 4.

Members serving on Board No. 1 at the Legion Hut, were Miss Van Zan, Auxiliary member, and Post members: Dick Mavser, V. C. Arnold, Paul Teichman, Everett A. Wood, and Bill Strinfield. Past Commander Guy C. Tetrick headed a special committee that called upon men confined in hospitals, or their homes, due to serious illness or other incapacity; also registering prisoners in the city jail and county jail. C. C. Johnston, on duty at the Legion Hut, answered 100+ telephone calls of inquiry.

Draft Board members expressed their appreciation for the fine and faithful services rendered.

Universal Service Bill

The new wartime universal service bill of the American Legion, introduced jointly in the Senate and the House of Representatives of the Second session of the 77th Congress, April 21, is only six paragraphs long, and contains less than 500 words, but covers in broad outline every possible aspect of all-out national mobilization for victory with an effort to provide equality of service for all citizens, and special privileges and profits for none.

Dear Sir:

This Post wishes to express its gratitude to you for your very generous action in giving your blood to Mr. Gunn, at the St. Johns Hospital, on April 28, 1942.

Mr. Gunn is doing nicely.

Please feel that when you do an act of this kind you are not only building character for yourself, but for the entire membership of this Post of The American Legion.

We, as a Post of The American Legion, thank you!

Sincerely,

J. F. Herman,
Commander.

House Bills

Four bills in which the American Legion is interested and which have had the close attention of the national legislative committee have been ordered favorably reported by the House committee on World War Veterans legislation.

H. R. 6824 would make temporary disability ratings permanent after having been in effect for ten years. The bill supplants H. R. 1441.

H. R. 2226 by Mr. Bates of Kentucky defines "misconduct" under Veterans Administration regulations as "misconduct when it is due to felonious misconduct." (A national convention resolution supports this measure).

H. R. 6646 by Mrs. Rogers of Massachusetts provides that seven years unexplained absence by a veteran may be regarded as indicating his death, and as cause for payment of benefits accordingly.

The Legion took no position regarding H. R. 4402, a bill by Mr. Rankin of Mississippi to extend five year level-premium term insurance for an additional five year period. (The Milwaukee convention did not pass a proposed resolution calling for such further extension).

Man Power Commission

A new War Manpower Commission has been created by the President by executive order, with Paul V. McNutt, Federal Security Administrator and a past national commander of the American Legion, as chairman.

The order places large power and responsibility on McNutt's shoulders, making him America's top man for the mobilization of labor to win the war. McNutt thus emerges apparently head and shoulders above numerous functionaries in Washington who have had, or sought to have, a directive place in organizing the men and women of the country for maximum war production, including Sidney Hillman, labor's representative on the old O. P. M., and even the Secretary of Labor, Madame Perkins. Some of the duties hitherto resting in the Labor Department are transferred to the new War Manpower Commission.

New Memorial Ritual

INDIANAPOLIS, Ind.—A new memorial service for use by American Legion posts in conducting last rites for members of the armed forces who have died for God and Country on freedom's battlefields but whose remains have not been returned for formal interment, has been prepared by national headquarters. The service can be used to memorialize the death of any American war hero of any war.

Preparation of the new service was in response to many requests from all parts of the country for such a memorial ceremonial. National Adjutant Frank E. Samuel advised all department commanders, adjutants, and national executive committeemen, to whom copies of the service have been shipped.

Reports For Duty

Captain E. W. Muller, an active member of Joe Carson Post, left Wednesday for Keefler field, Mississippi, to report for duty with the AFTTC, beginning May 4th.

Good luck, E. W., and let us hear from you once in a while.

PAGING

Every Auxiliary Member!

Due to the dreadful Pryor disaster, the emergency cupboard of the American Red Cross is depleted. That means they are entirely out of quilts. Mrs. H. Blain Lacy, in charge of Red Cross sewing for the Auxiliary, makes a most urgent and sincere plea for workers to be at the Hut, Tuesday, May 5th, 10 a.m., to help in getting several quilts ready for immediate use. She requests that you bring scraps of material for making quilts—preferably cotton at this season of the year, but if

you have old cotton blankets, they can be used to make backs for the warmer quilts. You are also requested to bring your scissors and thimbles. It is true that a number of our members have so many other activities that they feel they cannot possibly assume one more, but in this case, the need is so urgent, we feel sure they will respond. The public is also invited to join in this work. The Hut is large, cool and a pleasant place to work. We can just visualize it being filled with earnest workers. You see we have faith in "our gang" is why we are sending out the SOS call to every Auxiliary member.

For lunch, take a sandwich and Auxiliary members will serve delicious, piping hot coffee.

When you patronize one of our advertisers, let him know you appreciate his patronage.
